KODAK
Floor and Wall Vinyl

Innovative adhesive vinyl for both floor and walls

Uniquely textured surface

Kodak Floor and Wall Vinyl is an amazing adhesive backed vinyl designed for both wall and floor graphic applications. It's uniquely textured print receptive surface combined with a proprietary repositionable adhesive on the reverse side makes it a great choice for graphics to be applied to carpet, tile, concrete, wood, stone, metal, glass, and painted surfaces.

Indoor and outdoor applications

Designed for short– to medium-term, indoor and outdoor applications including trade shows, POP displays, lifestyle graphics, and most short- to medium-term wall or floor graphic application.

APPLICATIONS:

- Retail and display graphics
- Corporate and home décor
- Trade show displays
- Sidewalk graphics

FEATURES:

- Acrylic solvent repositionable, removable adhesive
- 8 mil matte white textured vinyl with textile reinforcement
- Indoor and outdoor applications
- Compatible with Solvent, Eco-Solvent, UV Curable and Latex inks
- Textured non-slip vinyl with dimensionally stable fabric backing
- Sticks to almost any surface including tile, glass, carpet, metal, stone, and sidewalks
