Physical Specifications

Base Weight: Grams/m2	195
Caliper (mil)	8
Storage	Indoor, 1 yr. between 50-80°
Life Expectancy	Indoor 2-5 yr./outdoor 1 yr.

This product has been tested with laminates. Pressure sensitive laminates provided the most aggressive bond and are recommended for use with this product. Lamination will help to extend the life of your print by reducing the rate of fade and protect against abrasion. Life extension varies due to climate and environmental conditions.
