

MAGIC PROLINE160S

7 mil contract proof paper
(satin)

PRINTER COMPATIBILITY

DESCRIPTION

Magic PROLINE160S is a 7 mil, high quality, resin-coated photobase paper with a universal microporous coating with a satin finish. The PROLINE photobase papers are designed to provide instant dry times on most high speed thermal and piezo water based ink jet systems with dye and pigment inks. Product features include superior pigment color gamut and ease of handling during printing and finishing.
