

MAGIC PROLINEC2SMATTE

4.5 mil / 100 g/m² 2 sided
imposition paper (*matte*)

PRINTER COMPATIBILITY

DESCRIPTION

Magic PROLINEC2SMATTE is a 2 side coated, 100g/m² matte paper for in-position proofing applications. It is a premium matte presentation paper that is balanced and lays flat for optimum performance in 2 side printing devices for graphic art and prepress applications. PROLINEC2SMATTE offers high opacity, bright white appearance, and optimal color gamut. Full-color images print crisp and clean, even with ink saturation levels up to 200%.
