HP Designjet inks, printheads

HP large format printing materials

High-quality prints for your day-to-day production

Produce eye-catching displays

See outstanding image quality. Work with the wide color gamut and smooth transitions delivered by this matte polypropylene material and produce quality prints from line drawings to photo-quality POP displays.

Gain efficiency

Help keep your production process moving smoothly. This easy-to-use film features a permanent self adhesive for secure, reliable mounting. Instant-dry prints can be easily removed.[1]

Make the versatility of this material work for you

ICC profiles help you get the right color, right away. Take advantage of compatibility with HP dye and pigment inks. Offer over 50 years unlaminated indoor display permanence,[2] on this versatile, easy-to-use printing material.

Target customers	Applications	Benefits
Print service providers	POP and retail displays	Outstanding image quality for day-to-day production
Retail store in-house printing	Trade show and event displays	Instant dry time
Event designers	Temporary exhibitions	A permanent self-adhesive for secure, reliable mounting
Advertising agencies	Architecture competitions	Compatible with both HP dye- and pigment-based inks
Geographic Information Systems (GIS) Government (printing self-adhesive maps)		50+ years unlaminated indoor display permanence on HP Designjet Z-series printers[2]
		Easy to use and remove, with a limited HP warranty[1]
		Broad HP Designjet printer compatibility[3]
